

Liquid Net® The Ultimate Insect Repellent

Short Description:

DEET-free and great for the entire family, Liquid Net, The Ultimate Insect Repellent is made with botanical oils of Cedarwood and Lemongrass, it's non-greasy with a pleasant, mild scent.

Long Description:

More repellency than DEET! Liquid Net actually out-performed DEET in independent lab testing – In repellency tests performed by Snell Scientifics, LLC, Liquid Net Insect Repellent proved to be more repellent than 20% DEET when exposed to Lone Star Ticks.

Member tested and recommended by the National Home Gardening Club!

America's largest club of garden enthusiasts tested and awarded Liquid Net with the club's seal of approval.

Repels mosquitoes in the Amazon River Basin! With the real possibility of contracting life-threatening diseases such as yellow fever and malaria, Jon Sanborn of Vermont took no chances. "I lived in Liquid Net the entire length of my stay in the Basin. The stuff really works!"
