MATERIAL SAFETY DATA SHEET (MSDS)

Fruit Puree and Juice Products

S&P Marketing, Inc. produces and/or markets the following processed fruit Ingredients. These are produced from respective fruits. None of the products contain added sugar. These Ingredients may contain Citric Acid (or other organic acids) to adjust pH and Ascorbic Acid to prevent pre-process oxidation changes. These additives are food grade; consequently we certify the finished product is also food grade.

Our Industry is regulated by the Food and Drug Administration (FDA). The MSDS program is administered by the Occupational Safety and Health Administration (OSHA). It is our understanding that food products regulated by the FDA are exempt from this OSHA ruling. Therefore we do not issue a MSDS for the following products.
